There will be a class A burn at Morris County next week. There are 47 lengths of 3” hose we no longer use. The Chief will try and sell them to a more needy department. Old Business: The Mogan property was officially purchased and the Title company is switching the deed over to the Board of Fire Commissioners as was originally intended. A presentation by the officers was made for the possible purchase of a utility truck and a discussion took place on the eventual replacement for 613. Since there was no further business, a motion to close the meeting was made by Jamieson and seconded by Masker at 9:15pm.
